About TINte Cosmetics

TINte Cosmetics was created from a feeling, a feeling of a simpler time, a time we all cherished, a memory of pure innocence, the essence of youth and freedom. The creator of TINte Cosmetics is a modern day woman who remembers her first encounter with a lip gloss, a lip gloss with the color, aroma and flavor that launched her and a generation down the road to femininity.

TINte Cosmetics launched in spring 2004. Most known for their unique and nostalgic lip gloss flavors including Root Beer, Bubble Gum and Cream Soda packaged in a great vintage slider tins. Today TINte Cosmetics can be found in the World's savviest of beauty locations and department stores.
