**Have you heard? It's Gonna be a Haute Fall Season...**  
**TINte Cosmetics launches new shade: Haute Chocolate**

If you're a chocolate lover, you will fall in love with our new **Haute Chocolate** Flavored Lip Shine. It offers a soft chocolate vanilla taste and a light shimmering chocolate color, great on all skin tones.

It's everything without the calories! And don't forget all of our glosses are packed with nourishing **Shea Butter** to prevent any type of chapping during the dry fall season

TINte Cosmetics was created from a feeling, a feeling of a simpler time, a time we all cherished, a memory of pure innocence, the essence of youth and freedom. The creator of TINte Cosmetics is a modern day woman who remembers her first encounter with a lip gloss, a lip gloss with the color, aroma and flavor that launched her and a generation down the road to femininity.

We at TINte Cosmetics want you to recapture that time of innocence, enjoy our tastes, colors and flavors, enjoy that moment that brings you back to the memory of your very first kiss and the excitement and anticipation of waiting for the next flavor to arrive.

This is the feeling that inspired the idea behind TINte Cosmetics. What will TINte Cosmetics mean to you?

This fall, recapture that time of innocence...enjoy our tastes, colors and flavors, enjoy the moment that brings you back to the memory of your very first kiss. With the moisturizing elements of Shea Butter that give your lips the pleasure of being pampered.

"Product tested on boys, not on animals!"
