About TINte Cosmetics:

TINte Cosmetics was created from a feeling...a feeling of a simpler time, a time we all cherished, a memory of pure innocence, of youth and of freedom. Created out of a love story for today's modern girl, TINte came to being after its founders, Stacy Provines and Matt Reid, shared their first Mint-filled kiss and fell hopelessly in love -- the kind of love that little girls dream of. TINte celebrates that love as it takes today's modern woman back to that simpler time with familiar smells that trigger great memories and vintage packaging that instantly invokes nostalgic memories of those carefree youthful days. This exciting promotion is available exclusively at www.Nordstrom.com and instore at Nordstrom.
