A Time for Giving, TINte Cosmetics teams up with the USO for the Holiday Season!

Miami Beach FL- December 11, 2009-

It's a time for giving and TINte Cosmetics was happy to team up with the USO this holiday season. TINte Cosmetics provided our female troops with great beauty products. "We wanted to thank our troops for the sacrifices they make for all of us on a daily basis" says Creator Stacy Reid. "We wish our troops and their families a wonderful holiday season and hope they come home very soon. TINte Cosmetics will continue to work with the USO throughout the coming years.

About the USO

Since before the United States entered World War II, the USO (United Service Organizations) has been the bridge between the American public and the U.S. military. In times of peace and war, the USO has consistently delivered its special brand of comfort, morale and recreational services to the military. The USO, a congressionally chartered, private, nonprofit organization, relies on the generosity of individuals and corporations to support USO activities.

Today, the USO delivers its programs and services at more than 130 locations around the world. In recent years, the USO opened centers in Kuwait, Qatar and Afghanistan to support service members participating in Operations Enduring and Iraqi Freedom, as well as centers in Vicenza, Italy, and at the Dallas/Fort Worth, Raleigh/Durham and Denver International Airports.

About TINte Cosmetics

TINte Cosmetics was created from a feeling, a feeling of a simpler time, a time we all cherished, a memory of pure innocence, the essence of youth and freedom. The creator of TINte Cosmetics is a modern day woman who remembers her first encounter with a lip gloss, a lip gloss with the color, aroma and flavor that launched her and a generation down the road to femininity.

TINte Cosmetics launched in spring 2004. Most known for their unique and nostalgic lip gloss flavors including Root Beer, Bubble Gum and Cream Soda packaged in a great vintage slider tins. Today TINte Cosmetics can be found in the World's savviest of beauty locations and department stores.

"Product tested on boys, not on animals!"
